SPORTING SIDELIGHTS

By BILL BAILEY.

Quite a few went to the Basin to skate out few put on their gliders.

Managor Gates, of the Priends School basket-ball team, dropped in last night and wished us to announce that his team is not a member of the Scholarite League. Manager Gates says that as his quint has defeated every team in the league with the exception of the Army and Navy Preps, he can see no reason for entering the circuit.

Manager Connie Woods, of the Catholic Manager Comme weeds, at the Cathonic Chriversity basebull team, is somewhat "het up" over the report that Georgetown will not play the Red and Black on the Brookland diamond. Well, the Hillitopers will more than likely play one of the contests on the Brookland grounds.

FIELD CAUSES TROUBLE

Blue and Gray Would Play on the Hilltop, and Brooklanders Refuse to Accept the Dates.

That the question of the playing field will cause a great deut of trouble be-twees Georgetown and Catholic Univertween Georgatown and Catholic Univer-sity in regard to the basebull games was sity in regard to the thescale games made known last night, when Manager Woods, of the Red and Black team, stated that unless the Georgetown maintanement agreent to play one of the games on Brookland Field the teams may not

meet at all.

Should the Catholic University authorities take this step, it will cause ill feeling at both universities, and this should be avoided. At present the beat of feeling exists between the Red and Black and the Bite and Gray, and it is aradly likely that either manager will allow to small a detail to sever athlette seems to believe that if all the contests are staged on the Hilliop hards revoked the same, and that the financial end will be better takers crowds will witness the games, and that the financial end will be better takers crowds will witness the games, and that the financial end will be better takers crowds will witness the games, and that the financial end will be better takers crowds will witness the games, and that the financial end will be better taker care or. Games Draw Well.

Heretofore the games between the Brooklanders and the Hillioppers have always drawn big, and the battles this year should be better than ever, as there is a world of material at each finalitudion. There are many loyal rosters of each toam in Washington, and they will travel eather, direction, so there is really no either direction, and they will travel either direction, and they will travel either direction, and they will travel either direction. CATHEDRAL LOSES TO FRIENDS QUINT

Coach Green's Lads Are Humbled by the Quakers in Hotly Contested Battle, 16 to 13,

Coash Green's Cathedral School quint lost to the crack Friends School five restering in the Cathedral gymaselum in a fast basket-ball hattle. Is to 13.

The Quakers had the short end of the store in the first half, due in part to the strang gymfassium and the absence of Capt. Cagood from the garne, but in the second period the Quakers went after the Blue and White aggregation in earnest, and when the final white was blown had landed the contest.

Miller and Gates played by far the best basket-ball in the game, the former shooting six five tosses in as many chances. Gates made two awell baskets from the senior of the floor. Rust put up a good game for the Cathedral quint. The Friends team is not in the scholartic league, notwithstanding the many reports to the fact that they are in the Circuit, and Manager Gates, of the Friends team, whose it made known, as in team has defeated practically every team in the league.
